**Metal Hoops** are a versatile craft item, perfect to use in projects with existing products in the Value Craft range. They can be used individually or together to create eye catching, unique pieces.

Whether you are creating a wall hanging using our macrame cord, a dreamcatcher or mobile using our beads, shells, cord and feathers, or a floral wreath with our large range of botanicals, metal hoops are a great vehicle for creativity.

## Get Creative!

We have made this beautiful yet inexpensive floral wreath using our new range of metal hoops, our 22mm baby pink satin ribbon, our craft wire and these products from our floral range:
